Hello Dan,

I am a board member for Navidad En El Barrio (NEEB), an organization that provides a holiday meal to thousand's of families each year.

As Estela mentioned in the email below, we are still in need of warehouse space and would like to look at the 22,000sf space you had proposed.

Please let me know if this space is still available and how soon we can do a warehouse walk-through.

I look forward to hearing from you soon.

Hello Dan,

The organization that needs the use of warehouse space for their distribution of food this holiday season would like to look at the 22,000sf space you had proposed. Their target date is drawing near and while it's smaller than what they need, they want to see if they can still make it work.

Copied on this email are Luz Castillo, who is working with the non-profit, and Rocio Hernandez from Councilman Huizar's office.

Luz and Rocio, I'd like to e-introduce you to Dan Rosenfeld. Dan represents the Sun Cal property at 6<sup>th</sup> & Alameda and is a great colleague and friend of many years.

I'll let you all connect directly on a time/date for a warehouse walk-through.

Thanks everyone.

Good Afternoon,

The following is in regards to a protest that will cause traffic delays [tomorrow morning](#)  
**In the Downtown Area [from 6 AM to 9 AM](#)**  
**and LAX [from 10 AM until 1 PM](#).**

**Downtown**

At approx [6 AM](#) a group of approx 3-400 "fighting fro \$15.00 per hour" will gather at the McDonald's on 7th and Alameda. Approx 50 of them will eventually sit in the intersection of 7th and Alameda until arrested as an act of Civil Disobedience.

It will take approx 2 hours to get them out of the street and onto the jail bus. Streets will be re-opened as soon as possible.

**LAX**

At approx [10 AM](#), this same group will join several other groups and approx 4,000 persons will march and protest at LAX. This will cause significant delays around the airport.

If you know anyone traveling tomorrow, please advise them to get to the airport prior to [10 AM](#). This protest is likely to conclude at approx [1 PM](#). No Civil Disobedience has been planned at this event.

This LAX Labor Action is planned in conjunction with several other actions at airports across the country.

Please advise anyone you know who may be effected by these closures.

My friends,

It is with mixed emotions that I want to share with you that I have been transferred to North Hollywood Division as the new Area Commanding Officer. While it is an exciting time for me and my family, I know that I will miss the Central community that has been so supportive of me in my first foray into captaining. More important than offering my personal thanks to you, is taking this opportunity to express my gratitude to you and your organizations for your support of the hard working men and women of Central. They are truly a dedicated, talented and agile team and will continue to work to make DTLA safer and they will continue to need your help to make that happen.

Without stealing his thunder, Captain Leslie has been promoted to Commander, however he will be remaining in Operations-Central Bureau as the right arm of Chief Arcos. Therefore, he will remain as a stabilizing influence on the new leadership team.

The changes do not take effect until Dec 25th (serendipitously my birthday), so I will still be around for the next month. Now, let me thank you for your partnership over the last two years. Central is a special place, the heart of the City that I live in and love and you and your staffs do incredible work to keep that heart beating.

Happy Thanksgiving and I will see you soon.

## **Day of Remembrance Road Concert Site-specific works along 1st, Spring, 9th and Main in Downtown Los Angeles**

---

*Councilmembers Mike Bonin and José Huizar along with the Los Angeles Departments of Cultural Affairs (DCA) and Transportation (LADOT) join local partners and the national Vision Zero Network in honoring Sunday, November 20 as the World Day of Remembrance for the victims of traffic fatalities.*

Los Angeles, CA (Nov. 18, 2016) – LADOT's Artist-in-Residence Alan Nakagawa has partnered with the Vision Zero Alliance and Los Angeles Road Concerts to participate in the annual World Day of Remembrance for Road Traffic Victims, commemorating the many millions of people killed and injured on the world's roads. The

City of Los Angeles has adopted a Vision Zero goal of eliminating traffic fatalities citywide by 2025, with an immediate goal of reducing traffic deaths by 20% by the end of 2017.

"Traveling through Los Angeles' neighborhoods should not be a life-threatening exercise," said Councilmember Mike Bonin. "Through better planning, better design, and better enforcement, we can prevent thousands of traffic crashes and save hundreds of lives every year. We have the tools, the abilities, and the obligation to keep people safe and be a Vision Zero city."

Together, the partnership between LADOT, the Vision Zero Alliance, and LA Road Concerts will produce a showing of site-specific projects from Los Angeles artists in unused, outdoor public spaces along a loop made of Spring St, 9th St, Main St, and 1st St in Downtown, LA.

"This unique event offers us an opportunity to come together as Angelenos to commemorate the victims and families affected by traffic fatalities," said Councilmember José Huizar. "Each one of us needs to do our part to make our streets safer, no matter our mode of transportation. I encourage all Angelenos to come to Downtown Sunday and experience these special art installations firsthand."

Over 600 people on foot were hit by cars in Downtown LA over 12 years, averaging a person a week. Sunday's event invited participating artists to make works that bring awareness to traffic violence, ponder solutions and utopias, remember the victims, investigate car culture, and explore the complexity of the problem.

"This partnership illustrates the power of the creative process to raise awareness and help solve some of the most important issues affecting Los Angeles," said Danielle Brazell, General Manager of the Department of Cultural Affairs. "We need to harness the creative talent we have in our community to achieve critical goals like eliminating traffic deaths."

In the United States, traffic crashes are one of the top causes of preventable death -- and they are on the rise. Speed is involved in nearly one-third of all traffic fatalities. In 2015 35,092 people were killed in traffic fatalities, a 7% increase over the prior year. To highlight the significant role that speed plays in traffic deaths and injuries in the U.S., a new interactive National Speed Fatality Map was released on November 17, in advance of the World Day of Remembrance, by the Vision Zero Network and the National Coalition for Safer Roads and is available for viewing on each organization's website. The map will highlight the distressing number of lives lost to speeding, city by city across the U.S.

"This is a sobering day -- traffic deaths are preventable. Traffic violence is increasing, and we must use all of the tools that we have available to stop it," said Seleta Reynolds, General Manager of LADOT. "Art focuses people on safer streets for all of us."

For one day, participating artists will display installations, perform works, host spontaneous readings, and make music in unexpected spaces. "The event's participating artists come from a wide variety of artistic disciplines and life experiences, and they each offer something unique and enriching to the conversation about traffic violence and to our remembering and honoring of the victims," said Stephen van Dyck, organizer of LA Road Concerts.

Topics will include exploring the human behavior that causes people to make dangerous decisions like texting or drinking while driving, or how our transit systems reflect America's race and class inequalities and privilege

the able-bodied. These art pieces will raise awareness to the issue of traffic violence, and the fact that #speedkills.

“Here in Los Angeles, too many of us have stories to tell,” said Emilia Crotty, of Los Angeles Walks and the LA Vision Zero Alliance. “Stories of a father killed while crossing the street, a niece still recovering from a hit and run, or scary near-misses of our own. On Sunday, we will remember those we’ve lost and re-commit to ending traffic deaths in our city.”

**Subject: Street Closures the weekend of Nov 19-20th**

Good Morning,

There are a few events that will impact traffic in the downtown area this weekend:

#### Saturday Nov 19th

**United Way Home-walk.** This will begin and end on Spring Street adjacent to City Hall. The walk will travel around the downtown area (See attached map.) from 7:30 until approximately 11 AM.

**Air BnB Concert.** This will close Main and Spring from Noon until approx 2 AM on Sunday Morning. (See attached map and info)

#### Sunday Nov 20th

There are very few closures on this day, however the area around LA Live and the Convention Center will endure **HEAVY** traffic most of the day.

- The **LA Auto Show** at the Convention Center expects approx 40,000 persons per day on both Sat and Sun.
- The **LA Rams** play at 1 PM at the Coliseum, likely to end at 4 PM. Many people park near LA Live for the metroline, in addition to Figueroa as a freeway alternate.
- The **American Music Awards** will be held at the Microsoft Theater, with a Red Carpet arrival from 3-5 PM
- The **LA Lakers** play in the Staples Center at 6:30 PM

Looking forward, on **Thanksgiving day**, (Nov 24th) the Turkey Trot 5 and 10K run will be held in the Downtown Area from approx 7 AM to 11 AM. The most important aspect of this is that they will tow cars from the route. (See map)

All above street closures are permitted by Bureau of Street Services.

Aside from Social Media reports of several school walkouts today, we do not currently have any further info on upcoming protest marches. That being said, many of the Anti-Trump protesters have not been receptive toward working with the police. As a result, we have done our best to create a safe environment for lawful public assembly and expression of First Amendment rights, but we are not able to advise the community of information that is withheld from us.

Thank you,

Attached is the information regarding the public safety meeting here on 11/28. I am looping in Ari on this as well. This will be an important discussion for the community. This meeting was suggested and coordinated by Alisa Orduna. We're all looking forward to it.

Estela,

Nice to hear from you. Thank you for the email. Tomorrow I am assigned as the lieutenant in charge for the possible demonstrations/marches that are occurring in Central. So unfortunately I won't be in the office. What I can do is email you when I am at the command post and hopefully you will be available. The only issue would be if things get busy then I am in the field the entire time and having a conversation would not be possible. I'll touch bases with you tomorrow.

Hi Estela

The wire baskets are on order. I will let you know as soon as they are in. Copying Robert Potter who is the on making it happen.

I am also copying Steve and Gonzalo to look into adding the 400 block of Stanford into the OHS schedule?

sure. the bottom line is that currently we have a ban on vehicle lodging anywhere which is not enforced because it is unconstitutional. the revision to the law would not supersede any posted parking restrictions.

the earliest i'm available for a call is after 3 on Tuesday

Hey Tim,

I hope all is well! I did a drive around with Estela Lopez, CCed here, of 7th Street to checking out various beautification issues up and down the corridor. When we drove by your facility, what was to happen there came up. I suggested that Estela reach out to you so that you could provide her a full briefing on the project. She works for CCEA, an organization that represents property owners in the area. Would you mind connecting with her and briefing her on the project?

Thanks!

What I can do is talk to Flanagan and LAHSA about outreach and go from there.

Just had a meeting with Sanitation, LAPD, and the City Attorney's Office about 56.11 implementation. Things are moving slowly as we work out Sanitation and LAPD's respective roles in cleanups and deal with resource issues. The good news is that more resources are coming online in January which will help with the responsiveness. The ultimate goal will be to get to a level of responsiveness which decreases the incentive for people to build up encampments.

The vision is for 7<sup>th</sup> from Los Angeles St. to Santa Fe. Street parking seems possible to remove except for a small stretch in the Fashion District and another just east of Alameda. What we discussed included protected bike lane, continental crosswalks, restriping that would add left turn lanes, and additional lighting on DWP poles. 7<sup>th</sup> is already identified for a new DASH line.

I also asked them to consider something that could begin to soften the hardscape of 7<sup>th</sup>. Trees perhaps.

I can grant a two-week estension due to the circumstances of the BID not having a permanent ED in place for several months.

Good Evening,

Pls advise whomever you think needs this information

We are anticipating a gathering at City Hall but do not have a size estimate.

These high school kids have not been a major problem during the day.

The Department has deployed for these issues and will continue to do so until it is no longer necessary.

Thank you,

sure. the bottom line is that currently we have a ban on vehicle lodging anywhere which is not enforced because it is unconstitutional. the revision to the law would not supersede any posted parking restrictions.

the earliest i'm available for a call is after 3 on Tuesday

Thanks Estela. After Nov 8th is good for me. Do you all have a list and/or map of the blocks where it's okay to remove parking/loading and where it needs to be maintained? I need to give that to DOT as a base.

Thanks!

Hi all,

First, thanks to each of you for your great enthusiasm and ideas about 7<sup>th</sup> St.

Wanted to begin the calendar comparison for our walk down 7<sup>th</sup> St. Rena will be out Nov. 3-7, so let's set it for after Nov. 8.

(Diana, did you say Thursdays were good or bad?)

Ideally, we'd start at Alameda and walk toward Fashion BID area, where we would do lunch.

Thanks Estela. After Nov 8th is good for me. Do you all have a list and/or map of the blocks where it's okay to remove parking/loading and where it needs to be maintained? I need to give that to DOT as a base.

Thanks!

Hi all,

First, thanks to each of you for your great enthusiasm and ideas about 7<sup>th</sup> St.

Wanted to begin the calendar comparison for our walk down 7<sup>th</sup> St. Rena will be out Nov. 3-7, so let's set it for after Nov. 8.

(Diana, did you say Thursdays were good or bad?)

Ideally, we'd start at Alameda and walk toward Fashion BID area, where we would do lunch.

The wire baskets are on order. I will let you know as soon as they are in. Copying Robert Potter who is the one making it happen.

I am also copying Steve and Gonzalo to look into adding the 400 block of Stanford into the OHS schedule?

The Mayor's Office Public Safety and Homelessness Policy shops met this afternoon to discuss the increase in fires within the Skid Row Community.

We have an action plan moving forward. In the meantime, Deputy Mayor Jeff Gorell would like to attend an upcoming BID Meeting. Do these happen on a regular basis? Or is there an Executive Committee that meets? If so, can you please send over a few meeting dates and times? We will then work with his assistant Rose to facilitate his attendance.

Property-based District

To: ELopez@centralcityeast.org,

This letter serves as a reminder that the 2017 fiscal year Annual Planning Report is requested by **November 1, 2016**. This report is a requirement of your contract with the City of Los Angeles and is also a requirement of the Property and Business Improvement District Law of 1994, California Streets and Highways Code Section 36650.

For your convenience, a web-base BIDs portal is now available for you to provide appropriate information as approved by your Board for 2017 including:

- 1) proposed changes to the boundaries and/or benefit zones
- 2) proposed improvements and activities
- 3) estimated cost of the programs and services
- 4) method and basis of levying the assessments
- 5) amount of surplus revenues from previous BID years and its planned expenditure
- 6) amount of anticipated contributions
- 7) approval date of the 2017 budget/report by the Board

Please note that the 2017 Annual Planning Report must be approved by City Council pursuant to State Law. If the 2017 Annual Planning Report requires revisions to meet State Law requirements and those revisions are not received in a timely manner, pending disbursements of District revenues may be withheld for non-compliance.

**Go To BIDs Portal**

If you have any questions regarding your 2017 Annual Planning Report, please contact your assigned B.I.D. analyst, Rick Scott, rick.scott@lacity.org.

Sincerely,

Miranda Paster, Division Manager  
Neighborhood and Business Improvement District Division  
Office of the City Clerk

Attached is the Planning Department's bi-weekly Early Notification Report for Business Improvement Districts (BID's). The purpose of this report is to provide BID's with the earliest possible information about all applications for planning entitlements that have been filed in your BID area, even though not all applications are complete and some cases may eventually be withdrawn. Included in the report is contact information about the applicant so your BID can obtain more information about the project very early in the process. A separate report is shown for each BID. You will see that the report is provided in PDF and Excel formats.

The information in the report is sorted by BID. If there are any questions, please contact [Rocky.Wiles@lacity.org](mailto:Rocky.Wiles@lacity.org).

Let's find a good time in the next two week when I can come down to the space to see what we can do in terms of a large backdrop for the meeting. Thanks, again, for all of your support this week!

Good afternoon, Estela,

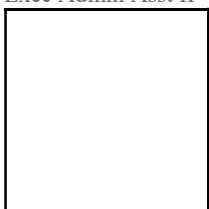

I am reaching out to let you know that Vince has accepted your invitation to speak at the Annual Meeting on November 18. He has asked Patricia Diefenderfer and Bryan Eck to attend with him. I have the location and the time noted on calendar.

Please let me know if there is anything you require of me. If you would forward me an agenda or program when one is available, I would be most appreciative.

Thank you Estela,

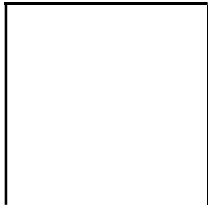

Carrie

Good morning,

When you have the invitation/agenda for your event, would you mind sending me a copy please? I'd like to attach it to the calendar for Vince.

Thank you so much. Have a great day,

I did!! And she said I must have really good connections because she just found out!!! Then she didn't say anything else. I asked her, "Aren't you even a little curious?" When she responded, I told her who told me and she laughed. She forgot that I worked for Sharon and that of course I would know you because you and Sharon are friends. Anyhow, she's very excited. She told me the same thing about it being a DREAM job. She thinks she'll start two weeks from today.

Estela,

I will ask him about the start time. He is out in the field this afternoon but I'll meet with him on Monday morning and present him with this information.

Thank you for responding so quickly. I will let you know as soon as possible.

Carrie, we will work with you. Would it help if I moved the meeting start to 8:30am? I am about to send out the first materials on this, so you caught me just in time. Please advise.

I was going to email you about what I would like Vince to focus on during his remarks. In the audience will be long time property owners who until now have had no input into the conversation about the evolution of downtown. This has been by default, not design. They are not engaged because this area has been left frozen in time. Now, however, it sits surrounded by a transformational energy that is remaking DTLA. They want to know how they can become a part of this conversation.

Vince can then talk about DTLA 2040 and the role it could play in the future of the downtown industrial district. What will be most critical will be for Vince to invite these owners in, to be a part of the greater downtown voice. They've never had that invitation.

Thanks.

Good afternoon, Estela,

I hope you're having a fabulous Friday. I wanted to let you know that Vince has been called to attend a meeting on November 18 that will necessitate his leaving your event by 9:30 am. I apologize for any inconvenience. He does not want to cancel his appearance at your event. He can be there from 9:00 to 9:30.

Have a great weekend,
